### THE DINING ROOM By A.R. Gurney

The play is set in the dining room of a typical well-to-do household, the place where the family assembled daily for breakfast and dinner and for any and all special occasions. The action is comprised of a mosaic of interrelated scenes, some funny, some touching some rueful. The actors change roles, personalities and ages with virtuoso skill as they portray wide variety of characters. Each vignette introduces a new set of people and events.
