**NO MORE  
SCAFFOLDING!!**

Have you checked out the front of our theatre lately? You will notice our new columns have arrived and been installed. Now we are just waiting for cooperation from the weather so we may get them painted. We would like to "Thank" everyone who helped make the purchase of these new columns through their generous donations. Without your support, we would not be able to keep up with the maintenance of our theatre.

**THANK YOU!**

**Join the theatre!**

Have you ever wanted to be involved with the theatre but NOT on stage? We would love to help you out! There are plenty of other areas of the theatre you can become involved with:

**Set Crew:** Can always use help building and painting a set before a play, and then tearing one down after the run of a show. Many things!

**Front of House:** At the door, you greet the patrons, give them a program and take their ticket. You help set up for intermission, serve coffee, cookies, water and soda.

**Backstage:** We always need help during a play. Whether it is helping the actors change costumes, giving them their correct prop, making sure they get on stage when they should be or changing the set during a scene change.

Just want to get out and do something different? WE CAN HELP!

Contact Debbie Lansing and she will get your name to the necessary people so they may get ahold of you.

Look for newspaper and radio advertisements in the coming weeks for a "Mystery dinner" in March at the Westport Winery, featuring Driftwood actors and actresses.
