

“Front of House” Icon Retires

At 98 years young, and 40 years later, Dorothy Logue has decided to step down from the position of “Front of House” trustee. A world of gratitude goes to her for all she has done for us in the past. Along with the duties for front of house, she attended every performance of each play put on by the Driftwood Players. Dorothy did find time to act as well. She was “Countess Bordon” in the play “Don’t Drink the Water” in 1984. She was also involved with the Driftwood Children’s plays when they would put the productions on at the local schools. Dorothy is now living at Channel Point Retirement Home, 907 “K” Street, Hoquiam, WA 98550. She would love visiting with you if you are ever in the area.

The play runs April 25, May 1, 2, 8, 9, 15, 16, with curtain at 7:30 p.m.
 The Sunday matinee is May 17th with curtain at 1:30 p.m.
 Herbal cigarettes will be smoked on stage.

Theatre Etiquette

After talking to some of our patrons, actors and actresses, I felt it would be a good idea to put something in our newsletter about theatre etiquette.

Please try to arrive on time. Our shows start at 7:30 p.m. for the Friday and Saturday performances. Our Sunday matinee’s start at 1:30 p.m. Please give yourself plenty of time to arrive early enough so you may be seated once the play starts.

Turn off all cell phones and pagers. **NO TEXTING.** Some patrons have commented on how annoying the light from the screen is when a person is texting, and people can be distracted from the play. Unwrap all candies, breath mints, cough drops and gum before the play begins. A patron once said she will put them in a zip lock bag already unwrapped. Good idea!

99% of our shows are not interesting to a child under the age of eight. Even sometimes under the age of fifteen. If you want to know whether they would like the show or get bored, feel free to ask! We also put up signs before you enter the arena if there is strong language or (herbal) cigarette smoke on stage. You may ask before you buy a ticket incase you would rather not attend when a play uses strong language or smoking.

New Front of House Trustee

We would like to welcome John Hallacy as our new "Front of House" trustee. He jumped in with both feet and started a list of new recruits for doing front of house. He also helps with building sets, taking down sets, and getting the backstage ready for a play.

Thank you John for stepping in for Dorothy.
