## STAY HOME STAY HEALTHY

We sent a PSA out a few weeks ago letting you know that we have postponed our May production of *The Curious Incident of the Dog in the Nite-Time*. Since that date, the stay at home decree from Governor Inslee was extended to May 31. Therefore, Driftwood Theatre decided to also postpone *The Complete History of America (Abridged)*. We are planning to bring this production to the stage the summer of 2021. These decisions have not been easy to make, but we know that safety for everyone is our utmost concern. The future of live theatre is unknown at this point in time and we only hope that we will be able to entertain audiences in the very near future as we have done for the past sixty years.

We are planning our Champagne Opener, *The Wedding Singer*, for our kickoff to the 2020-2021 season. The date has been set for September 19. Watch for more information as we draw closer to September.

Thank you for your support of Driftwood Theatre.
